## **BEER & RYFYLKE SNACKS**

After the hike, your guide will transport you to Lilland Brewery Hotel. Once there, you'll have a chance to rest your feet while being served a selection of locally produced craft beers and local Ryfylke snacks. After the beer tasting, which lasts about 60 minutes, you'll have the choice between taking the ferry back to Stavanger (on your own – instructions given) or remaining at Lilland Hotel (see below).

## **ACCOMMODATION + OPTIONAL STAY AT LILLAND HOTEL**

Lilland Brewery Hotel is located in a small village just adjacent to the coastal fjords and mountains. It's the perfect base for exploring the Stavanger region, including Reinaknuten, Preikestolen, and other parts of Ryfylke. Overnight accommodation includes a traditional Norwegian breakfast.

In the (very likely!) event that you are exhausted after your Hike & Beer adventure, you may want to spend a night or two at Lilland Brewery Hotel. If you didn't add the optional accommodation at Lilland when you booked your tour, but would like to do so now, please send an [email](#) directly to Lilland Hotel to inquire about a reservation.

### **NOTES**

If you will be staying at Lilland Brewery Hotel after the tour, please have your luggage with you upon pick-up.

After your stay at Lilland, you can catch a public bus back to Stavanger.

**For a list of other recommended places of accommodation in the region, please click [HERE](#).**
